The World of Marine Solutions Under One Roof

GULF NAVIGATION GROUP OVERVIEW

Gulf Navigation Holding PJSC is a fully integrated ship owning company headquartered in Dubai and started operations since 2003. It is the first and only public listed maritime and shipping company in the UAE since Feb 2007.

Gulf Navigation group has diversified business segments and specialized services such as:

- **Ship Owning & Chartering** - Own and operate Chemical tankers
- **Ship Management** - Owned and Third party vessels
- **Shipping Services** network across all UAE ports
- **Marine Products Sale & Distributor** for various marine products.
- **Ship Repairs & Technical Services**
- **Offshore Services & Innovation**

Gulf Navigation, an ISO 9001:2008 Company, owns a fleet of chemical tankers and offshore crew boats with own branch offices and warehouses inside port of Fujairah and Khorfakkan and an overseas office in the Kingdom of Saudi Arabia.

GULF NAVIGATION MARITIME OVERVIEW

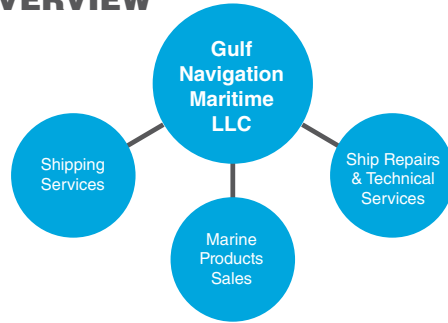

SHIPPING SERVICES

- Cargo vessel handling
- Logistics, warehousing & inland transportation
- Ship & off shore supply
- Project cargo handling
- Freight forwarding & custom clearance

The shipping services is well supported by an in-house fleet of supply/crew boats placed in most of the major ports of UAE.

MARINE PRODUCTS SALES

Gulf Navigation Maritime LLC is the sole sales and distribution agent in Arabian Gulf for all products of Marichem-Marigases and acts as distributor for Lankhorst Ropes with a clientele ranging from public corporations, ship yards, shipping companies and offshore corporations. The system is well supported with warehouses inside the sea ports of Fujairah and Khorfakkan along with strong in-house logistic support.

SHIP REPAIRS & TECHNICAL SERVICES

Technical services is a dedicated branch of the company incepted in 2015 with a strong support team comprising of Marine Engineers and Master Mariners with many years of sailing and superintendency experience coupled with a set of highly specialized technicians and workforce. The setup is duly supported with well equipped/purpose-built workshops inside the port of Fujairah and Khorfakkan.

A dry-dock facility for small crafts is also currently in progress within our premises in the port of Khorfakkan.

Our team is our major asset with each member having a proven track record and been hand-picked to ensure the best people with the right attitude are onboard.

We at Gulf Navigation Maritime are committed to go beyond the usual and provide tailor made solutions as per the need of the clients and the requirements behind the jobs to ensure smooth and safe sailings.

“ With our unique combination of mariners and specialized task force who truly understand your needs, we are committed to long term business relationships, quality, accountability, transparency and reliability, offering a one stop shop for all marine solutions at competitive cost under one roof. ”

TOTAL SHIP REPAIRS (MACHINERY, STRUCTURAL & AUTOMATION)

- Complete overhaul of high speed, low speed, 2 stroke and 4 stroke engines. Our technicians are trained and qualified to work on CATERPILLAR, CUMMINS, DOOSAN, PERKINS, MAN B & W, SULZER, JOHN DEERE, YANMAR, VOLVO PENTA, DEUTZ, GM and WARTSILA engines.
- Overhaul and repair of generators and other auxiliary machinery including but not limited to all types of pumps, compressors, heat exchangers, turbochargers, motors, purifiers, valves, crane, forklift, hydraulic equipments, windlass/winches and other onboard repairs.
- Propulsion repairs, gearbox repairs, shaft alignment etc.
- Structural repairs for vessels including plate repairs, steel replacement, pipe fittings and miscellaneous repairs as required by the clients.
- Electrical, automation, instrumentation/control and calibration of all onboard equipments

TECHNICAL MANAGEMENT AND CONSULTANCY

We have a dedicated ship management team specializing in crew/supply boats and offshore support vessels operating out of Khorfakkan and Fujairah port premises and presently handling technical and crew management of various crew/supply boats in the region. We also undertake the following services

- Preparing vessels for FLAG, CLASS, PORT STATE, TASNEEF GCC surveys etc.
- Dealing with the surveyors on owner's behalf, arranging minimal requisite repairs and completion of surveys efficiently.
- Internal audits, ISM audits, Navigation audits.
- Ship/Crew certificate control and renewal advisory
- Insurance (H & M, P & I) surveys preparation with a high success rate track record
- Implementation of PMS onboard vessels and supplemented by regular ship visits and reports
- Supply of spares and technical stores
- Complete dry dock management for the crew/supply boats

SPARE PARTS SUPPLY

- We maintain sufficient stock of various spares for crew boats and in addition, we have close contacts with local vendors
- offering authorized genuine spares and stores for most of the machinery available on crew/supply boats.
- Further we enjoy very special rates and business terms with various authorized dealers of all types of engines and other machinery.
- We also maintain enough stock and arrange all kinds of technical stores and consumables as required by the crew/supply boats.

OTHER SERVICES OFFERED UNDER OUR SUPERVISION

Following services are in the pipeline and are presently offered under our supervision and quality commitment with the help of our 3rd party vendors who are regularly vetted to our standards.

- AC and refrigeration repairs
- Navigational equipment repairs and certification
- Arrangement of LSA and FFA services and equipments
- Fuel pump and governor repairs etc.
